

**EASTERN DISTRICT OF TEXAS**

CIVIL ACTION NO. 1:12-CV-169

BRAD LIVINGSTON, *et al.*,

Defendants.

The court has conducted a *de novo* review of the objections in relation to the pleadings and the applicable law. After careful consideration, the court is of the opinion plaintiff's objections are without merit. While this lawsuit involves events which occurred at the Stiles Unit, plaintiff's motion complains of events which occurred at the Michael Unit and which do not involve the named defendants. Any relief plaintiff seeks concerning events at the Michael Unit should be pursued in a separate lawsuit. Events at the Michael Unit do not provide a basis for preliminary injunctive relief in this lawsuit.

## ORDER

Accordingly, the objections filed by plaintiff are **OVERRULED**. The findings of fact and conclusions of law of the magistrate judge are correct, and the report of the magistrate judge is **ADOPTED**. Plaintiff's motion for preliminary injunction is **DENIED**.

SIGNED at Beaumont, Texas, this 20th day of August, 2014.

A handwritten signature in cursive script, reading "Marcia A. Crone".
